CYCLE and Youth Tour Application

The Missouri Electric Cooperatives' Youth Conference and Leadership Experience (CYCLE) tour and the National Rural Electric Association's Youth Tour are leadership building programs that bring high school students from around the state and nation together.

The CYCLE Tour is for high-school sophomores and is a four-day program in Jefferson City. Participants gather with other students from Missouri to hear national and local speakers who challenge them to be better leaders when they go back home.

Students will tour the Missouri Supreme Court and Capitol Building. While in the Capitol building, the sophomores will sit in the Missouri House Chambers and go through the process of how to pass a bill.

High-School Juniors are eligible for the Youth Tour, a leadership building trip to Washington D.C. Winners of the trip will meet with other students from Missouri and travel to the nation's capital for a one-week trip where participants hear national speakers and see many of the memorials and tour museums and historic sites like Mount Vernon.

Both trips are fully funded at no cost to the participants and are life-changing trips for those who are chosen to go. Trips are for high-school students whose parent or legal guardian is a member-owner of SEMO Electric Cooperative.

What do we want?

We want a one to three minute video featuring your school. Here are the three things that have to be in the video:

1. Your favorite thing about your school.
2. Your favorite school employee (teacher, principal, janitor, etc.)
3. What is one thing you would improve at your school?

Any video not meeting the requirements will not be considered. Your video will be judged on the content and will be uploaded to our social media pages as well as shared on our website, gosemo.com

Upload your video to your YouTube or Vimeo page and email us the link along with the Tour application. Send the email to britney@gosemo.com.

For any questions, contact _____ at 800-813-5230.
